Dear Unit Owners,

The State of New Hampshire has issued a fire ban, which means **no fires of any kind are permitted at this time**. This includes campfires, fire pits, or any open burning on association common property or within your unit's lot.

For the safety of our community and compliance with state regulations, all members must strictly adhere to this ban until it is lifted by the state.

The proclamation from the Governor can be found at:

If you see or have concerns regarding a unit owner having a fire during this ban, **please call 911 immediately**. Local authorities will handle enforcement to ensure the safety of all residents and property.

We appreciate your cooperation in keeping our community safe.
